

Faculty of Arts and Humanities

Postdoctoral Researcher

Inductive Metaphysics (FOR 2495)

With approximately 49,000 students, the University of Cologne is one of the largest universities in Germany and ranks among the Excellence Universities. It employs over 600 professors and 7,000 academic and non-academic staff.

The Chair of Philosophy of Science (Prof. Dr. Andreas Hüttemann) at the University of Cologne seeks applications for the following 24 month position, which is part of the research group: Inductive Metaphysics (FOR 2495), link: <https://indmet.weebly.com>, which is financed by the DFG (Deutsche Forschungsgemeinschaft): Postdoctoral Researcher

YOUR TASKS

- » The successful candidate is expected to contribute to the project "Determinism, Control and the Consequence Argument".
- » The candidate will partake in all of the research group's academic activities and enjoy its administrative facilities and financial support.
- » There is the possibility, though no obligation, to do some teaching in either English or German

YOUR PROFILE

- » a PhD in philosophy
- » preferably on a topic related to the project: "Determinism, Control and the Consequence Argument"
- » applications should include: a cover letter that addresses, amongst others, one's academic background and research interests, CV, list of publications, 3 samples of written work, and a 3-page description of a planned research project

WE OFFER YOU

- » a diverse and fair working environment
- » support in reconciling work and family life
- » flexible working time models, full-time positions suitable for job sharing
- » extensive advanced training opportunities
- » occupational health management offers
- » local transport ticket at a discount for UoC employees

The position is available from 1 December 2019 on a full-time basis. It is limited to 24 months. If the applicant meets the relevant wage requirements and personal qualifications, the salary is based on remuneration group 13 TV-L of the pay scale for the German public sector.

The University of Cologne is committed to equal opportunities and diversity. Women are expressly encouraged to apply and given priority in accordance with the Equal Opportunities Act of North Rhine-Westphalia (Landesgleichstellungsgesetz – LGG NRW). We also expressly welcome applications from people with special needs or of equal status.

Please send your application including a statement of interest (letter of motivation, a CV including a list of publications, a copy of the three most important publications, a copy of the relevant degrees/certificates and the names and contact information of two referees) by email with the reference number Wiss1907-18 to ahuettem@uni-koeln.de.

The application deadline is 15 September 2019.
